Rehab Center: Promises Treatment Centers

Description: Promises Treatment Centers
When choosing a treatment center, the facilities themselves are just as important as the staff and scope of services offered. A peaceful and soothing environment is critical in developing an effective recovery.
Promises Malibu
Nestled in the picturesque Santa Monica Mountains, Promises Malibu looks out on the Pacific Ocean and is an unrivaled setting for recovery.
Treating drug, alcohol, and substance addiction on an individual, personal basis, Promises Malibu is the ideal locale to begin a recovery that lasts.
Promises Malibu offers three distinctive facilities. Each one is private and secluded, providing a relaxed setting which nourishes the soul while a private chef nourishes the body. Please call today to learn more about Promises Malibu - 866-390-2340
Promises Westside
Centrally located between Venice and Santa Monica, the newly restored craftsman home of Promises Westside promotes healthy, lasting recovery from alcohol and chemical dependency. With Promises licensed, credentialed staff on hand around the clock, Promises Westside treats each addiction individually in order to promote the profound personal changes necessary to achieve a lasting and fulfilling sobriety.
With warmly decorated common areas as well as comfortable, well-appointed rooms and facilities, Promises Westside provides a relaxing and rejuvenating environment that has proven highly effective in helping people begin a recovery that will last a lifetime.
