Rehab Center: Ranch Recovery

**Description: Top of the World Ranch Treatment Centre
Mission
Top of the World Ranch Treatment Centre strives to provide the finest available Addictions Rehabilitation Services and Family Support programming. We offer discrete recovery opportunities to fee-paying private citizens and insurance subsidized corporate clients.
Our mission is to facilitate maximum potential for healthy sustainable lifestyle transformation. We holistically address the Biological, Psychological, Social, and Spiritual intentions of our clients in a compassionately optimistic manner.
We sensitively employ the natural healing properties inherent in our magnificent wilderness setting to support therapeutic change and inspire hope.
We encourage appreciation for life and respect for the awesome beauty of God's creation.
Treatment
Approaching addictions recovery from a holistic Bio-Psycho-Social-Spiritual therapeutic framework, the clinical team at Top of the World brings more than 80 years of combined professional counselling therapy experience to the programme. Highly trained, respectful, and deeply committed professional psychologists, counsellors, and support/recovery staff gently and firmly guide clients to their customized individual goals for optimal personal success.
Compassionate and well-trained support workers are available around the clock throughout the 28-day therapy session.**
