Rehab Center: Newport Coast Recovery

**Description: Drug and alcohol treatment for men
Drug Rehab Programs, Alcohol Rehab Programs
Drug Rehab Center, Alcohol Rehab Center
Orange County, Newport Beach, California
If you are currently seeking treatment in a drug rehab program or alcohol rehab program for persons suffering from drug addiction, chemical addiction, and alcohol addiction, we can be of major assistance to you. Located just steps from the sand in Newport Beach, Newport Coast Recovery is a California drug rehab center which has created an affordable rehab facility that offers a full therapeutic range of programs for individuals who suffer from alcoholism or alcohol abuse, drug abuse, and chemical abuse.

Why choose our alcohol rehab program?
We offer complete drug rehabilitation and alcohol rehabilitation programs lead by our highly experienced team of addiction counselors concerning individuals in need of detoxification, primary 24-hour 7-days per week residential treatment programs (inpatient rehab program), outpatient treatment services, or a comprehensive drug rehab program of extended care, in a highly structured, supportive and safe "sober living" environment. For more information, please continue to search this site for answers to your questions and concerns.

Those of you who find themselves in an urgent or crisis situation, please call our HOTLINE immediately for assistance: 1-800-990-9691.**
