

Listing ID: 23

Rehab Center: The Camp Recovery Center

Description: Located in the majestic redwood forests of Northern California, The Camp Recovery Center offers a breathtaking natural environment in which to recover from drug addiction and alcoholism.
The Camp's comprehensive program is widely recognized as the leader in substance abuse treatment as it offers the most complete assortment of levels of care for adults and adolescents, ranging from detoxification to residential (in-patient) and outpatient substance abuse treatment as well as continuing care and online rehabilitation services.
Recovery from dependency will change your life forever. With guidance, education and support you can rebuild your body, mind and spirit.
Our treatment approach combines the 12-step philosophy with the disease concept, group therapy, art and recreation, education, individual treatment planning and relapse prevention.
Located on 25 wooded acres in the Santa Cruz Mountains in Northern California
Founded in 1984
Physician certified in Addiction Medicine
24-hour nursing support
Full CARF Accreditation
49 Adult Beds/20 Adolescent Beds (Total of 69)
Beautiful recreational facilities including swimming pool, basketball, tennis and volleyball courts.
