Rehab Center: The Watershed

**Description: When it's time... You want to change, but you don't know how...
You're sick and tired of being sick and tired.
You need help, but you're afraid to ask...
Maybe you just made the decision...
Make a change...
You're committing to recovery. Now we're committing to you.
The Watershed will enable you to overcome the effects of your disease and help you find recovery.
Together we will lay the foundation which you will build your new life upon – but ultimately, you are in charge of your future. We promise to fulfill that mission and help fulfill your life's goals. It's a promise to help you heal.
