Rehab Center: Harmony Place

Description: Harmony Place is a premier residential treatment center recognized as the number one treatment center in the world. Harmony Place is located just above the Pacific Ocean in Malibu, California. Our clients' ability to sustain recovery over time is amongst the highest and unparalleled to any other treatment center in the country. Harmony Place provides the most complete and total care in the most exquisite state of the art treatment center. We at Harmony Place believe recovery from addiction requires strength and compassion. We offer a multidimensional treatment program, customized for each client coupled within an environment based on mutual understanding, dignity and respect. Effective treatment for substance abuse must include methods and activities providing each client with the physical, psychological, emotional and spiritual resources in order to live a purposeful and fulfilling life. Our goal is to equip clients with the tools to understand and heal the wounds of addiction. The overall approach at Harmony Place is to integrate the mind, body and spirit. It is our mission to help clients embrace the notion of healing and hope. Harmony Place takes pride in its highly trained and motivated staff to ensure clients receive the most pragmatic therapy available. Harmony Place utilizes the 12-Step principles of recovery. In addition, the program integrates traditional western treatment with other holistic approaches. Complete Medical Assessment, Evaluation & Management.
